

## Class Descriptions

### **Black Bird Black Bird**

The sweetest little black birds will grace your home. Help them come to life and fit your style and home. We'll craft our birds from clay and use recycled materials to accent and display them. All materials will be provided.

### **Book Page Collage Images / Book Page Poetry**

Ever wanted to make you own "book page"? In this class, you will "disassemble" book pages and reassemble them into your own piece of art and story, accenting it with paint, fabric, stamps and other art supplies. All materials will be provided.

OR Ever wanted to write your own "poetry" without actually putting pen to paper? In this class, you will "disassemble" book pages and reassemble them into your own piece of art and story, accenting it with your own paint, pastels, or stamps. A supply kit will be provided

### **Book Page 3D "Bouquet"**

A 3D "Bouquet" created from old book pages and an old book as its frame, using simple, simple sewing to add dimension and texture that you will love to display in your home. All materials will be provided.

### **Create Your Own Village**

Design your own little town using wood, fabric, paper and more that can be decorated for holidays or for all year decorative use. All supplies provided.

### **Crochet Wire Necklace**

Crochet wire? Yes, you can. With beads and wire, you can make your own necklace or bracelet to match any outfit. Simple tools are needed and will be supplied. No prior knowledge of jewelry making is needed. Basic crochet skills are preferred. All materials will be provided.

### **Fabric Painting with Fruit & Vegetables Class**

Leave this fun and creative class with a finished tote bag designed by you, using fabric paint and fresh fruits and vegetables. All materials will be provided.

## **Fairy Garden Pot (Summer)**

Fairy gardens are special and give us an opportunity to express whimsy in our indoor or outdoor gardens. We'll be making a sweet Fairy Garden Pot in which you can add miniature plants and perhaps even a fairy or two. In addition, we'll make a few Pinterest fairy garden accessories. All materials will be provided.

## **Felted Flower brooches or hair clips!**

*Brooch:* Using felt and silk flowers, learn to make a great seasonal pin to use on a favorite coat, hat or jacket. Come find out how to create your very own!

*Hairclip:* Great looking, and who would believe you are using simple hair clips, bobby pins, barrettes and scrapbooking brads to make a tailor-made hair accessory to match any outfit! All materials will be provided.

## **Halloween (Or Holiday) Wine Glass Luminaries Class**

These “scary” monsters will help your home get into the Halloween spirit! Which two monsters will you create? Frankenstein? Dracula? Witch? The Mummy? Artist Shari Pontillo from Twisted Fiber Studio will show you how to create your own “terrifying” fiends or maybe friends. All materials will be provided.

## **Handmade Journal Making Class**

Create a journal that fits your personality and recycle at the same time! Take an old hard cover book, various scrapbook and watercolor papers, duct tape and heavy thread to make a simple journal. With the addition of collage, paint, ink, scrapbook items and stamps, you will turn simple materials into a unique, colorful, fun and one of a kind journal for your art, thoughts, souvenirs and more. All materials will be provided.

## **Holiday Ornaments**

Wooden Block Ornaments: Would you like to use those scraps of wood and wooden toy blocks to make holiday ornaments? We'll use wood, hooks, wire, embellishments, beads, paper, ribbon, and more to make up to four ornaments to decorate your holidays.

Cork Ornaments: What do we do with the corks after the wine is empty? Make ornaments of course! Using wire, corks, beads, buttons, and more we'll make gorgeous ornaments that you can hang on your tree or give as gifts. All materials will be provided.

## **Introduction to Felting**

Curious about felting but not sure where to start? Felted Soap: Felted? Soap? How does that work? Come find out how to create your own felted body scrubber with the soap included! Start with this class. We'll also learn hand needle felting, making a felted pin or two using wool roving. All materials will be provided.

## **Mason Jar Luminaries**

What isn't charming about mason jars? They may have been designed for canning fruits and vegetables but people have figured out hundreds of other uses for them. We'll be making an adorable luminary for our home using glass beads and more. All materials will be provided.

### **No Sew Seasonal/Holiday Wall-hanging -- Yes NO SEW!**

Make a seasonal, autumn wall display that requires no sewing (well may be a couple buttons) but will show you an easy technique to create seasonal and holiday decorations from those fabric scraps we all seem to have around the house. All materials will be provided.

### **Patterned Pumpkins Class**

Using dollar store pumpkins, tissue paper, flowers and other ephemeral, create your own autumnal decoration for your house at a fraction of the cost of the items from your local home store. All materials will be provided.

### **Handmade Postcards**

Did you know that you don't have to buy post cards? Great project to let people know you miss seeing them! Or send post cards from your staycation. These cards are incredibly gorgeous and personal. Think of the reaction your post card will receive? Who doesn't love personal mail (instead of bills)?

### **Petit Felted Animals**

Who has wanted to try needle felting a small animal or object? They are adorable and easier to make than I even thought! So why not join us and try your hand at felting your own small friend?

### **Rustic Angels**

Bring this lovely angel into your own home ... after you design her and make her. Made of wood, wire, paint and ribbons, she'll add grace and beauty to any room. All supplies provided.

### **Rustic Flags**

Bring this lovely flag into your own home to honor our own nation's flag. This lovely little flag will look gorgeous hanging anywhere in your house! Made of wood, stain, and ribbons, it'll add grace and beauty to any room. All supplies provided.

### **String Art**

Stars & Stripes forever! Join us in making our own "stars" using some wood, nails, string and stain to make your own patriotic decorative star. (Other patterns can be used.) All materials will be provided.

### **Upcycled Book Page Wreath**

Festive, elegant, recycled, and simple to make wreath from the pages of a book — literally! Perfect for the holidays or any season. All materials will be provided.

### **Upcycled Book Page Flower Wreath**

A fantastic, lovely, and eco-friendly simple wreath that welcomes Spring and Summer using flowers made from recycled from pages of a book. Easy to make and a gorgeous addition to your home. All materials will be provided.

### **Upcycled Book Page Christmas Tree**

Using book pages, paint and simple decoration, you will make this adorable Christmas/holiday tree! Wouldn't this look great in your living room or as a centerpiece? All materials will be provided.

### **Valentine's Book Page Collage Wall Hanging**

Whimsical and yet linear, this heart collage is perfect and will look lovely hanging in your home, even all year long. All materials will be provided.

### **Valentine's Day Book Page Sweetheart**

A 3D "sweet heart" created from old book pages and an old book as its frame, using simple, simple sewing to add dimension and texture that you can display in your home. All materials will be provided.

### **Valentine's Day Wreath**

Using scrapbook papers and old book pages, we will make a one-of-a-kind heart-themed wreath to decorate your house or front door. All materials will be provided.

### **NEW Inspirational Wired Fabric Flowers**

Twist, write and ultimately capture your favorite inspirational words in a 3D flower, using wire and fabric that will enhance any room or surface. All materials will be provided.
